Muncie, Indiana USA

62 miles from Indianapolis, IN (nearest major city)

School Enrollment

Student Population

210 students

Student-Teacher Ratio

13:1

Special Admissions

Accepts applications only for incoming 11th and 12th Grade students

Curriculum Overview

Courses Offered

Science, Math, 4 Levels of Physics, 7 World Languages (Chinese, French, German, Japanese, Latin, Russian, and Spanish), 21 Science Electives, 16 Elective Courses in English, 9 Elective Courses in Social Studies, and Advanced Placement options available.

Academic Focus

Indiana Academy provides a robust educational experience for academically gifted and talented students, while providing an enriching environment to help students grow into good and active citizens. For Science, students have 2-3 hour labs every week. The school is home to the latest advances in technology that enable students to explore, understand, and investigate the past and present in order to plan for the future.

Extracurricular Activities

The school offers over 50 clubs and intramural sports. Some sports include volleyball, swimming, basketball, tennis, frisbee golf, and more. Clubs range from Art Club to Chess Club, to Model United Nations, and a Puzzle Club. To learn more, visit their Extracurricular page on Indiana Academy's website.

Boarding at Indiana Academy

Participating students will reside on-campus for the duration of the program. However, students will stay with a fully vetted host family once a month in addition to school holidays when on-campus housing is closed. *This unique feature provides students an enriching intercultural experience of having both a boarding and frequent host family visits versus a more traditional boarding school.*
